Appointment of Committee Member of Subsidy Program for SMEs implemented by METI

We are pleased to announce that Shinichiro Nakahara, Managing Director, and Yuki Kakuyama, Director, served as members of the screening committee of Subsidy for Large Scale Growth Investments in Labor-Saving Measures for Salary Increase at SMEs ("Growth Investment Subsidy for SMEs") implemented by the Ministry of Economy, Trade and Industry, Japan.

<Growth Investment Subsidy for SMEs>

This subsidy is to support capital investments in labor-saving equipment to solve labor shortage issue and new facilities to expand business, in order to achieve sustainable salary increases at small and medium-sized enterprises in local areas of Japan.
