Capital Participation in BoostDraft by Endeavour United

We announced today that Endeavour United III Investment Business Limited Partnership, a fund under management of Endeavour United Co., Ltd. (“EU”), has completed capital participation in BoostDraft, Inc. (“BoostDraft”) on December 20, 2024.

BoostDraft is a legal tech company that provides a comprehensive legal document editor software, BoostDraft, to improve the efficiency of contract/legal document work for legal professionals. By thoroughly automating the painful work in the formatting of legal documents, BoostDraft offers legal professionals with more efficient workflows for creating legal documents such as contracts. This software is widely implemented not only across major law firms and legal departments but also throughout various divisions of leading corporations.

We will contribute to further growth of BoostDraft by respecting the current management policy, supporting further strengthening of the management base, and pursuing its founding principle “Creating global standards from Japan through technology” with the company.
